WHO WE ARE

As the founder of Zeegles Group of Companies, I am proud to lead a team dedicated to providing integrated business support services. With a focus on excellence, innovation, and client satisfaction, we specialize in banking and financing, accounting and taxation, business setup, and technical contracting. Our commitment to integrity, professionalism, and social responsibility drives us to be the trusted partner for businesses seeking comprehensive solutions.

MUHAMMED RAFI
Founder and CEO

MISSION

At Zeegles Group of Companies, we assist businesses from formation to strategic planning, legal compliance, banking, and financing, ensuring tax compliance, analyzing risks, and achieving social responsibilities for short-term milestones and long-term success.

VISION

"To be the premier provider of innovative finance, tax, and corporate services, setting industry standards and empowering businesses to thrive through our commitment to excellence and forward-thinking solutions."

WHAT WE DO

Finance

We specialize in providing financing solutions for large corporates, SME's and individual clients, offering a range of financing options. Whether you're looking for business loans, trade facilities, finance for your new home, car, or property, Zeebles can help you achieve your goals.

Loan Restructuring

Whether you're facing financial difficulties or looking to optimize your loan terms, our experts can tailor a solution to suit your needs. We offer comprehensive restructuring options, including refinancing, to help you achieve financial stability.
